REPLY TO OFFICE ACTION DATED DECEMBER 18, 2002

Dear Sir:

Please amend the application as follows.

Cancel claims 2 and 7 without prejudice and rewrite the claims to read as follows:

(Amended) A method comprising:

receiving a request from a first computer system for identification of a second computer system;

retrieving a processor number that identifies a processor of the second computer system; encrypting the processor number with a key associated with the first computer system to produce a hash value; and

providing the hash value to the first computer system in response to the request.

3. (Amended) The method of claim 1, further comprising: executing a processor instruction; and retrieving the number in response to the execution of the instruction.
